To give an Alarm—After opening the door, pull down the hook once, and immediately let go. Close and lock door; remain at the box, if possible, to direct the fireman to the fire. No person will give a second alarm except by direction of one of the Board of Engineers.

Never give the alarm for a fire seen at a distance, and never give the alarm only for an actual fire.

The daily test will be given at 12 o'clock m, by one blow on the bells and gongs. No school signal whistle.
